СКОПЈЕ

Dear Sirs,

I would like to express my admiration and congratulate you on a excellently organized Conference "Facing our past" in Sofia 5 – 7 October.

This maybe has not been the first conference in Bulgaria with this topic, but it was certainly the first one were the representatives from the Jewish Community in Macedonia were invited and had the opportunity to speak freely for the tragedy of the Jews from Macedonia.

I admire your courage and that fore I salute you.

Our work must not stop here, I hope that we will have the opportunity, in the near future, to organize joint venture project on Holocaust Education and Remembrance.

Sincerely,

Goran Sadakarijo
